Direct (Unattended) Cremation Price (from)

This simplest of all funerals which meets the needs of a growing number of people who desire a respectful committal with minimal attention. Direct cremation is a practical, alternative, and lower-cost option when compared to a traditional funeral service. The Deceased is cremated without any initial service or procession and is suitable only for clients wishing to have a cremation but who do not wish to attend the funeral. No mourners are permitted to attend the cremation and no music can be played. A simple cardboard urn is provided for the cremated remains which will be collected from the crematorium and made available for the client to lay to rest:

Cost includes: Making all necessary funeral arrangements for the cremation; Removal of the deceased to a suitable resting place, allowing 15 miles within normal working hours, storage of the deceased in our mortuary facility and basic temporary preservation treatment; provision of simple cremation coffin (usually Ashling or Jute) and conveyance by motor hearse, Private Ambulance or estate car direct to Arun Crematorium; provision of the necessary staff.

This basic funeral excludes the following services: Provision of a limousine or car; embalming; viewing of the deceased at our Chapel of Rest; ordering floral tributes; delivery of floral tributes after cremation; listing of floral tributes; dealing with charitable donations; placing obituary or acknowledgement notices.
